

Freedom To learn your way
anytime and anywhere.

It's for YOU!

HD Webcam: go all Hollywood and record a video tutorial or join an online study session with your classmates.

USB 2/3 Flexibility: backup/exchange files, transfer videos from a camera or print out an assignment.

A Better Canvas: big screen, vibrant colors and HD graphics give you extra visibility to scroll less and do more.

Mobility Matters: act on inspiration anytime, anywhere (except the shower!) and never miss a chance to author a literary masterpiece or create an epic presentation.

Horsepower to Spare: compose your opus, edit HD video, render a 3D model or explore HDR photography with ease.
