Customer Testimonials!

Just wanted to mention that your employee went out of her way to ensure my dietary needs were met (gluten-free foods). Attended the Members' Luncheon and most of the menu items contained gluten. She recognized that and prepared gluten free items for my lunch. She always makes customers feel their club membership is worth it!

You are doing an amazing job with managing the club. I have never been a club member prior to arriving here at Aviano but this is a great first experience as a club user!!!

You guys Rock! Your contributions to the Aviano experience make being here just that much better.

You Rock!!! I have been here for almost 2 years but the last 6 months or so have really been a change for the better. Keep up the good work and accept this pat on the back. Again YOU ROCK!
